*"You never get a second chance  
to make a first impression"*

That favorable first impression, through outstanding marketing materials, is key to ensuring that prospective customers seek out your company.

The professionalism displayed by your company's letterhead, reports, sales/marketing materials, and your website are vital to your success.

**FIRST CLICK!** has the experience, the creativity and the knowledge to provide you with top-notch materials at reasonable rates and with quick turn-around.

We can assist you from the very beginning stages of establishing your business by professionally preparing your business plan. Next, we can design your letterhead, business cards, flyers and brochures. Your eye-catching magazine or newspaper ads created by **FIRST CLICK!** will get your business off on the right track.

We can help you set-up customer databases, sales tracking spread-

sheets, and prepare your company newsletter.

While our specialty is flyers and brochures, we have experience with a very wide variety of software applications, including:

- \* **The full range of Microsoft Office<sup>®</sup> software**
- \* **AutoSketch<sup>®</sup> (for doing CAD drawings)**
- \* **Adobe PhotoShop<sup>®</sup>**
- \* **Canvas<sup>®</sup>**
- \* **Adobe InDesign<sup>®</sup>**
- \* **Adobe Acrobat<sup>®</sup>**
- \* **Adobe Illustrator<sup>®</sup>**
- \* **FrontPage2003<sup>®</sup>**
- \* **All the leading page layout software**

What this means for you and your business is that we can do the entire job--no need to hire costly advertising agencies or other expensive specialists like photographers or retouchers.

**FIRST CLICK!** should be the first place for all new start-up and small businesses to go to see their ideas come to life.

If you prefer to do it yourself, we can also provide the training and guidance you need to get going or to become more comfortable with your software.

At **FIRST CLICK!** we have extensive experience in the custom home-building industry, in real estate, in computer graphics and computer training.

We can take a blueprint and turn it into a professional, full color flyer. You can provide the digital photos or we can take them for you.

So, whether you just need to have an important report typed up or an impressive flyer for a new product, **FIRST CLICK!** can handle it for you.

And, most importantly, **FIRST CLICK!** is **F-A-S-T**, reliable and local.

Give us a call and we will be happy to come by and determine how we can be of assistance to your business. Or go to our website to see samples of our work. Thanks for your interest.
